Senior Class Will

We, the Senior Class of Verdi High School, City of Verdi, County of Lincoln, State of Minnesota, of the year one thousand nine hundred fifty-one, being of sound mind and body, do hereby make, ordain and declare this to be our last will and testament. Be it, heretofore, noted that we do solemnly will and bequeath the following property, real and personal, to the following persons, jointly and severally:

To the Juniors, we will our ability to co-operate and our liking and ability to sponsor many parties.

To the Sophomores, we will the honor of having our candidates for King and Queen chosen as carnival royalty for use in their remaining two years.

To the Freshmen, we will the ability that we have to be the smartest class in school.

To the Faculty, we will our ability to get to class on time.

I, Dorothy Smidt, will my cheering ability to Cecilia Kinney so she can take my place, my title of the most popular girl to Elaine Knutson, my ability to go steady to Lois Veire, to Theresa Habenau the full ownership of our hanger in the girl's cloakroom, the right to be sleepy on Thursday morning to Jeanine Gilbert.

I, Donald Boll, will my basketball manager job to LeRoy Garmatz, my ability to try to stay out of trouble to Norman Nelson, my grumpiness to Elaine Knutson, my ability to skate in the dark to Marlys Knutson, my ability to go steady to Marilyn Meyer.

I, Johanna Kamper, will my ability to get my Spanish assignments done to Dolores Jurgens, my accurate typing on the school paper to Paul Frank, my title as the hardest worker to Arthur Gilbert.

I, Phyllis Haegle, will my alarm clock to the Kinney sisters so they can meet the school bus in the mornings, my seat on Johnny's bus to Marlyn Koehne so he can sit near the front where Johnny can watch him, my pencils left over from my four years in high school to Royal Lynn so he will have a good supply next year, my ability to keep from getting "scissors happy" with my long hair to Phyl Christensen, my ability to stay home at least a week after a snow storm before I get out to Ralph Lynn.

I, Bonnie Monk, will my natural curly hair to Dee Iler, my place in the sextette to Melvin Erks, my red jacket to Mr. Cumiskey to go with his rust slacks, my gray suit to Theresa Habenau.

I, Sherry McCaffrey, will my very deep blue notes in the band to Larry Kelly, my collection of combs to Wayne Olthoff, my lunch pail to Rosa Zarecky, to Gregory Blum the right to take one of his father's tests, to Melvin Otkin a coathanger so he can hang a few people up on the ceiling of the bus so as to make it possible that a few more people can get on.

I, Kenneth Olson, will my driving ability to Arthur Grinnell, my ability to sleep until 8:59 and still get to school on time to Dale Schuchard, my superb dancing ability to Phyl Christensen, my sincere love for the teachers to Audrey Winans, my ability to blast loud notes on the tuba to Norma Meyer.

I, Donna Reinke, will my ability not to listen in on private conversations to Lois Berkenpas, my imagination for use on the way to basketball games to Mary Prunty, my ability to watch where I'm going on the skating rink to Phyl Christensen, the honor of being President of the library to Carrol Johnson so she can see how hard it is to keep the Freshmen girls working, my ability to make good lemonade to Rosa Zarecky.

I, Fred Monk, will my combination desk and sleeping lounge to Dee Iler because he already knows how it works, my ability to get my work done in class to Berniece Johnson, my ability to dance to Melvin Erks, my ability to stack my desk drawer waist high to Paul Frank.

CLASS HISTORY

On May 31, 1951, we, the mighty Seniors of the class of 51, graduated and became a part of the ever growing alumni of the Verdi High School.

Now as we look back, the long hours of study didn't seem so bad after all. Class parties, plays, banquets and skipdays (legal and illegal) provided us with the wholesome pleasures that school offers besides work.

Two of our present members of a class of nine, Donald Boll and Kenneth Olson started instruction in 1939 under the supervision of Miss Lund in the Verdi Elementary School.

Phyllis Haegle and Donna Reinke joined our happy throng in the fifth grade. The next year we welcomed Sherry McCaffrey into the class.

Miss Mork guided us through the hectic years of the seventh grade. Miss Kroman, the next year, struggled so patiently with us, we all received our eighth grade diplomas.

In the fall of 47, we entered the portals of the assembly as green lowly worms. We were duly initiated by the senior class. The girls looked very stylish in their gunny sacks. The boys, not to be outdone, wore long white night gowns. Breathing was difficult for us. We had to wear a vegetable onion necklace with a chicken claw. To top the whole day, we ate a magnificent feast and then we rollerskated at Lake Benton.

Fred Monk, Bonnie Monk, Janice Hagedorn and Dorothy Smidt were welcomed into the class membership this year. Sad to say, we were to lose four members before the year was over. They were Lorin Veire, Marlyn Fuerhelm, Robert Otkin and Walter Monk. Mrs. F. A. Olson was our class advisor. To show the Seniors we were capable, we put out an issue of the Verdi Voice.

Regaining our seats in the assembly for the Sophomore year, we enjoyed watching the antics of the Freshmen, which we had to go through. We chose Mr. Henry Knutson as class advisor and Donald Boll as President. During the year we were happy to have Johanna Kamper join our class. At the Senior banquet the girls proved to be excellent waitresses. After the banquet, everyone went to the Playmore for recreation.

Beginning our Junior year, we found that we had lost Kenneth Olson and Betty Johnson. Another member, Richard Budde, moved to Worthington during the year. We presented with great success, our class play, "I Would'nt Know" on November 23. Much to our surprise and happiness, our class rings arrived on the same day. Mr. Blum was unanimously elected as class advisor. Dorothy Smidt was our president. Donald Boll was selected for the honored position of basketball manager. Fred Monk outdid himself as a basketball player. For our class party, we entertained the high school with a delicious lunch and then treated them with a movie at Pipestone. To climax this year's activities, we sponsored the Junior-Senior banquet. The theme, "A Chinese Garden," provided us with a beautiful setting for this occasion.

In September, 1950, nine members came back to try the final voyage. We regained Kenneth Olson who spent one year in the New Britain, Conn., Senior High School and lost Janice Hagedorn who moved to Pipestone. Mr. Hamilton was voted our class advisor and Kenneth Olson was elected president. We reigned supreme on Initiation Day and tormented the Freshmen as we had suffered once. For entertainment we roller skated at Flandreau. On April 21 we enjoyed the annual senior privilege, Skip Day. We stayed at the Hotel Vendome. The State Capital was toured and, of course, we had to see every other place of interest including the Ice Follies. Our play, "The Woman Next Door", was a howling success.

Our class flower was pink carnation and our class colors were rose and white. Three of our class members, Kenneth, Phyllis and Sherry, played faithfully in the school band. The girls were noted for the fine work they did in the library and Donald and Fred will be remembered for their usefulness and ability on the basketball team.

We set a record which will probably never be equaled; we won the carnival's king and queen contest three years in succession.

Thus, we remember these fond memories and go out into the world to practice our class motto, "Onward and Upward".

JUNIOR CLASS HISTORY

We began the year with sixteen members in our class, gaining LeRoy Garmantz in March, 1951. This boosted our class membership to seventeen.

The class officers for the year were: President, Phyllis Christensen, Vice-President and Treasurer, Joyce Theel, Secretary, Lois Veire, Reporter, Anastasia Kinney. Our class colors were chosen to be green and white.

On November 10th, we presented our play, "Just Ducky." It proved a howling success, and one of the best to be portrayed in Verdi. That wasn't the only joy that befell the Juniors! We received our class rings December 7th. Funny thing, but all the Juniors have their rings yet!!!

SOPHOMORE CLASS HISTORY

On September 4th, 1950, eighteen lively Sophomores entered V.H.S. to begin a very eventful year.

Our class officers were: President, Joyce Ripley: Vice-President, James Monk: Secretary, Rosa Zarecky: Treasurer, Lois Berkenpas: Student Council reporters, Marlys Knutson and Dale Schuchard.

During the year we lost one of our members, Jim Alberts, and gained another Wayne Olthoff.

On May 10th we gave a picnic supper for the high school and faculty at the Pipestone National Park, followed by a show.

Next year we look forward to going at things with the same spark that has make us so lively and progressive there past two years.

FRESHMAN CLASS HISTORY

On September 5th we entered mighty V.H.S. as low, green worms. We became "full-gleged" Freshmen through initiation on September 29. The girls wore old shirts, upside down, men's pajama tops, gloves, and 5-buckle overshoes. Our hair was beautifully braided in 15 pigtales. The boys wore girls pajamas with bathing suits over them, and doilies in their hair. We all wore moth balls around our necks and carried our books in gunny sacks. Some fun!! that initiation.

On January 19, we gave our One Act Play entitled "Mamma's Getting Married." We treated the high school to a show and lunch afterwards on March 30th. We're looking forward to another happy, prosperous year as Sophomores.

Figure 1. Schematic representation of the experimental design. The subjects were divided into two groups: the control group and the experimental group. The control group received a standard training program, while the experimental group received a modified training program. The experimental group was further divided into two subgroups: the low-intensity group and the high-intensity group. The low-intensity group received a low-intensity training program, while the high-intensity group received a high-intensity training program. The subjects were then subjected to a series of tests to measure their performance and physiological responses.

Best of Luck to a good person and teacher. I hope that when we see each other in the future I will still remember a little Spanish.
Bonnie Monk.

The very best of luck to a swell teacher. I shall always remember the tough Spanish papers you had to correct. But you did a swell job.

Sincerely,
Arya Kinney

I have enjoyed your teaching very much and will remember the first day of school when you first came here. I was the only one you knew my name and I'll always remember the first time I had in Spanish. I have enjoyed your first lesson. I sincerely hope you are well.

If I wrote something in Spanish it would probably be grammatically incorrect. But I will say I've really enjoyed your classes and may have a lot of luck in my future years of Spanish.
Sincerely,
Kaden

I have enjoyed you three years in

be back again next year for Chorus
English and Spanish which I want
to take so much.
